1. Describe what parts of your CTE experience have been the most meaningful to you and why? How do you feel about your effort, grades and worker traits while at CTE?

The most meaningful part of my Cte experience has been the people I have met as everyone motivates each other to do their best and because the last time I have had friends similar would be when I lived in California. All in all I put a lot of effort into all my work going beyond what I originally thought I would accomplish, in terms of worker traits I am kind to everyone and rarely cause problems.

2. Describe yourself: what kind of person are you? What motivates you? What words would others use to describe you?

I am a kind and helpful person who seeks knowledge and wants to be able to survive in the world and the society. Others usually describe me as smart, hard working and helpful/kind.

3. What community service or volunteer work have you participated in?

I participated in beach cleanups with my mother when I lived in california, I have also participated in Senior Community Appreciation day for both Sophomore and junior year.

4. What leadership opportunities or experiences have you been a part of?

As a member of the C.T.E student council I attended a leadership seminar put on by skillsUSA.

5. What are your interests outside of school/What activities have you participated in/What jobs have you had, etc?

Outside of school I am interested in taking walks, gaming, Art, and Skating (be it Ice or roller.).

6. What are your goals for the future? Include educational, personal and career goals.

I plan to attend community college of vermont for my first few years of college in order to get my essential class courses out of the way before attending a higher level college for a computer engineering degree As well as a degree in web design. I'm unsure exactly what company I would like to work for but I plan on being successful no matter what field I enter.

7. What achievements are you most proud of so far in life?

There is not one specific thing i am more proud of in terms of achievements but I say being able to remain kind and helpful with the amount of times I have moved is one of the tings I am most proud of because it shows my ability to adapt to situations.

8. Are there any circumstances that have affected your academic performance? Are there any areas on your transcript, in your grades or attendance that you feel needs explanation?

Anything that involves physical work be it soldering or something as tedious as making a thousand halo's may have a worse grad because of my hand tremor and as such I may have a worse grade because of it.

9. Is there any other information that you feel is important to know about you? (use back if needed)

In my life I've moved 4 states and one Country, I was born in Arizona, moved to Nevada, Lived in California for a while before moving to Germany, and finally ending up here in Vermont. I also have a tremor as well as migraines.
